## Read This Before Ordering

Bulbs on this list carry the same guarantee as those on my main list to which this is supplemental. The quantities on hand are small not exceeding 100 bulbs of one variety in any size and in a few cases less than six bulbs. If you have any second choice in size or variety mention it in your order as money will be refunded for any items sold out.

If you have an unshipped order here your selections from this list will be accepted for \$1.00 or more. If we have shipped all your stock the minimum order that can be accepted is \$2.50. This list is being sent only to those customers of this season whom I believe to be interested in the newest things and able to buy them.

This list is brought up to date and reprinted weekly. If you desire to order at a later time ask us to send you a list corrected to date.

All offers are made and accepted subject to prior sale and these offers expire April 10th as I expect to begin planting at that time.
